Sir:

Responsive to the Interview Summary mailed in June 2005, the following written statement pursuant to MPEP §713.04 is submitted concerning the substance of the telephonic interview between the Examiner and the undersigned on February 7, 2005. The Issue Fee Transmittal and Fee has already been filed.

As a matter of clarification, the Interview Summary and a Supplemental Notice of Allowability was mailed along with another copy of U.S.P.T.O papers that were previously mailed on January 27, 2005, notably a Notice of Allowance, Issue Fee Transmittal Form and Determination of Patent Term Extension, but not re-dated. As such, the only indication concerning the mailing date of this group of papers is a stamp and signature identifying that these papers were reviewed by the audit department sometime in June 2005. Accordingly, this written

statement is being submitted within one month from this time period to comply with MPEP §713.04.

In the teleconference on February 7, 2005, the undersigned informed the Examiner of a typographical error on the Notice of Allowability (sent with the Notice of Allowance dated January 27, 2005). This error concerned the listing of the allowed claims. The Notice of Allowability identified claims 13 and 14 as allowed claims. However, as is evident from the record, these claims were canceled. As such, the undersigned requested a corrected/Supplemental Notice of Allowability identifying a proper list of the allowed claims (i.e., claims 1-7, 9-12 and 15), which should exclude claims 13 and 14. The Examiner indicated that he would provide a supplemental Notice of Allowability correcting this typographical error.

**AUTHORIZATION**

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Amendment to Deposit Account No. 13-4503, Order No. 1232-4534.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No. 13-4503, Order No. 1232-4534.

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.
